Chief, Economic Research

3 February 1954

Acting Chief, Planning and Review Staff

Project No. 40.283, "Comparison of Annual Rates of Growth of Freight Traffic and Selected Production Indicators in Communist China."

EIC
Transp.
Sub-Committee

1. Research per the original terms of reference of subject project has been completed and transmitted to requester, and the subject project, as such, is considered completed.

2. Because the ultimate intelligence question behind this project could not be completely answered by the original terms of reference, new terms will be drawn up in the near future by the requester, and at that time the project will be reinitiated under a new project number.
